Time	Activity	Room
08:30 - 12:20	<p>Pre Congress Course - Sleep disorders in childhood: Approach to Pediatrician Chair: SIMONE SUDBRACK (Brazil/RS) Moderator: JOÃO PIMENTEL (Brazil/DF)</p> <p>New classification of Sleep Disorders and its peculiarities in childhood - Time: 08:30 - 09:15 min. Speaker: OLIVIERO BRUNI (Italy)</p> <p>Epidemiology of sleep disorders in childhood - Time: 09:15 - 10:00 min. Speaker: TERESA PAIVA (Portugal)</p> <p>Break - Time: 10:00 - 10:30 min.</p> <p>Insomnia in children: clinical approach and treatment - Time: 10:30 - 11:15 min. Speaker: OLIVIERO BRUNI (Italy)</p> <p>How to Use and Interpret Sleep Study Results - Time: 11:15 - 12:00 min. Speaker: RONALD CHERVIN (United States/Michigan)</p> <p>Questions - Time: 12:00 - 12:20 min.</p>	2014-12-03
12:20 - 13:30	Lunch Break	2014-12-03
13:30 - 17:30	<p>Pre Congress Course - Orofacial Myofunctional Therapy: Clinical Markers for Orofacial Myofunctional Disorders and Their Relationship to Pediatric Sleep Medicine Chair: MARC MOELLER (United States)</p> <p>A Call For Newborn Frenum Inspections in Sleep Disorder Prevention - Time: 13:30 - 14:30 min. Speaker: IRENE MARCHESAN (Brazil/SP)</p> <p>Panel - Teste da Linguinha: A Call for a Frenum Inspection Law for All Newborns - Time: 14:30 - 15:00 min.</p> <p>Moderator: KEVIN BOYD (United States) Moderator: MARC MOELLER (United States) Debater: IRENE MARCHESAN (Brazil/SP) Debater: MICHAEL GELB (United States) Debater: A DEFINIR (Brazil)</p> <p>Break - Time: 15:00 - 15:30 min.</p> <p>Orthodontic Intervention and Myofunctional Therapy: Creating Space for the Tongue and the Airway in Early Childhood - Time: 15:30 - 16:00 min. Speaker: KEVIN BOYD (United States)</p> <p>An Airway Centric Approach to Pediatric Sleep Intervention - Time: 16:00 - 16:30 min. Speaker: MICHAEL GELB (United States)</p> <p>Clinical Cases: Pediatric Sleep Disorders and Myofunctional Therapy - Time: 16:30 - 17:00 min. Speaker: JOY LEA MOELLER (United States)</p> <p>Panel - The Future of Myofunctional Therapy and Pediatric Sleep Disorders: A Call for Interdisciplinary Collaboration, Protocols, and Research - Time: 17:00 - 17:30 min.</p> <p>Moderator: MARIA PIA VILLA (Italy) Moderator: MARC MOELLER (United States) Debater: KEVIN BOYD (United States) Debater: MICHAEL GELB (United States) Debater: JOY LEA MOELLER (United States) Debater: IRENE MARCHESAN (Brazil/SP) Debater: LEILA KHEIRANDISH-GOZAL (United States) Debater: A DEFINIR (Brazil)</p>	2014-12-03

17:30 - 18:00	Opening Ceremony Chair of the Congress: MAGDA LAHORGUE NUNES (Brazil/RS) IPSA President: OLIVIERO BRUNI (Italy) INSCER President: JADERSON COSTA DA COSTA (Brazil/RS) JEFFERSON BRAGA SILVA (Brazil/RS)	2014-12-03
18:00 - 19:00	Presidential Lecture Chairman: NICOLA OCCHIPINTI (Brazil) Pediatric Sleep Medicine: past, present, future Speaker: OLIVIERO BRUNI (Italy)	2014-12-03

• Sala 2 - Buenos Aires

Time	Activity	Room
08:30 - 12:20	Pre Congress Course - Neurophysiology: PSG technical aspects and interpretation Chair: MARINE MELIKSEYAN TRENTIN (Brazil/RS) Moderator: GUSTAVO ANTONIO MOREIRA* (Brazil/SP) Normal sleep - Time: 08:30 - 09:15 min. Speaker: MONICA LEVY ANDERSEN (Brazil/SP) Staging and technical aspects - Time: 09:15 - 10:00 min. Speaker: ROSANA CARDOSO ALVES (Brazil/SP) Break - Time: 10:00 - 10:30 min. Actigraphy - Time: 10:30 - 11:15 min. Speaker: AVI SADEH (Israel) Clinical cases and Polysomnographies - Time: 11:15 - 12:00 min. Speaker: ROSANA CARDOSO ALVES (Brazil/SP) Questions - Time: 12:00 - 12:20 min.	2014-12-03
12:20 - 13:30	Lunch Break	2014-12-03
13:30 - 17:00	Pre Congress Course - Treatment Options in Pediatrics OSA: The Old, The New, and The Controversial Chair: LEILA KHEIRANDISH-GOZAL (United States) Moderator: MARIA BEATRIZ ROTTA PEREIRA (Brazil/RS) Moderator: MARCUS JONES (United States) Surgical Candidacy in Pediatric OSA: Moving Away from the Hammer-Nail Concept - Time: 13:30 - 14:15 min. Speaker: JULIE L. GOLDMAN (United States) New non surgical treatment options for mild and residual OSA in children - Time: 14:15 - 15:00 min. Speaker: LEILA KHEIRANDISH-GOZAL (United States) Break - Time: 15:00 - 15:30 min. The Classic CPAP: efficacy, adherence, and application - Time: 15:30 - 16:15 min. Speaker: CAROLE MARCUS (United States) Treating OSA with dental appliances, who is the best candidate? - Time: 16:15 - 17:00 min. Speaker: MARIA PIA VILLA (Italy)	2014-12-03

• Sala 3 - Assunción

17:30 - 18:30		2014-12-04

• Sala 2 - Buenos Aires

Time	Activity	Room
09:20 - 10:50	<p><u>Symposium</u> SLEEP AND BEHAVIOR: A WINDOW ON THE DEVELOPMENTAL PROCESSES SINCE CHILDHOOD TO THE ADOLESCENCE Chair: MARIA CECILIA LOPES* (Brazil/SP) Better sleep, Better behavior: an overlooked pathway to improve development among African American children Speaker: KAREN SPRUYT (Belgium) Interaction between sleep and behavior obtained by sleep questionnaires in pediatric population in Brazil Speaker: LUCILA BIZARI FERNANDES DO PRADO (Brazil/SP) Sleep and behavior: What is normal in children and adolescents? Speaker: MARIA CECILIA LOPES* (Brazil/SP) The treatment of Sleep and behavior in Autism Spectrum Disorder Speaker: ALESSANDRA MARQUES PEREIRA (Brazil/RS)</p>	2014-12-04
10:50 - 11:20	<p><u>Coffee break and poster</u></p>	2014-12-04
11:20 - 12:50	<p><u>Symposium</u> EPILEPSY AND SLEEP DISORDERS AS FALSE FRIENDS: IMPLICATIONS FOR DIFFERENTIAL DIAGNOSIS Chair: SOŇA NEVŠÍMALOVÁ* (Czech Republic) The complex relationship between pediatric obstructive sleep apnea and epilepsy. Speaker: SILVIA MIANO* (Switzerland) The differential diagnosis of parasomnias and nocturnal sleep seizures. Speaker: ROSA PERAITA-ADRADOS* (Spain) Apparent life threatening events may be the first presentation of epilepsy during infancy Speaker: PATRICIO PEIRANO (Chile) Differential diagnosis between nocturnal epileptic seizures and sleep related movement disorders in children Speaker: ROSALIA SILVESTRI* (Italy)</p>	2014-12-04

12:50 - 14:20	<p><u>Symposium</u> Orofacial Myofunctional Therapy and Pediatric Sleep Disorders Overview The Role of Orofacial Myofunctional Therapy in Pediatric Sleep Disorders and Craniofacial Development - Time: 12:50 - 13:20 min. Speaker: JOY LEA MOELLER (United States) The Critical Role of Orofacial Myofunctional Therapy in an Airway-Centric Approach to Pediatric Sleep Disorders - Time: 13:20 - 13:50 min. Speaker: MICHAEL GELB (United States) Origins of Pediatric Orofacial Myofunctional Disorders and an Allied Orthodontic, Sleep Physician and Myofunctional Therapist Approach to Their Correction - Time: 13:50 - 14:20 min. Speaker: KEVIN BOYD (United States) The Future of Interdisciplinary Collaboration In Pediatric Sleep Medicine and Orofacial Myofunctional Therapy - Time: 14:20 - 14:50 min.</p> <p>Moderator: MARC MOELLER (United States) Presenter: A DEFINIR (Brazil) Presenter: KEVIN BOYD (United States) Presenter: LEILA KHEIRANDISH-GOZAL (United States) Presenter: OLIVIERO BRUNI (Italy) Presenter: JOY LEA MOELLER (United States) Presenter: MICHAEL GELB (United States) Presenter: IRENE MARCHESAN (Brazil/SP)</p>	2014-12-04
16:00 - 16:30	Coffee break and poster	2014-12-04
16:30 - 18:00	<p><u>Abstracts Presentation</u> Moderator: MONICA LEVY ANDERSEN (Brazil/SP)</p>	2014-12-04

• Sala 3 - Assunción

Time	Activity	Room
09:20 - 10:50	<p><u>Symposium</u> Bruxism a multidisciplinary approach Chair: SIMONE FAGONDES (Brazil/RS) Neurological and Polysomnographical aspects of Bruxism Speaker: LETICIA MARIA SANTORO FRANCO AZEVEDO SOSTER (Brazil/SP) Emotional stress and bruxism Speaker: GIBSI MARIA POSSAPP ROCHA (Brazil/RS) Orthodontic and Odontology care of patients with bruxism Speaker: ADRIELA MARIATH (Brazil/RS) Orofacial pain Speaker: GABRIELA MODESTI VEDOLIN (Brazil/RS)</p>	2014-12-04
10:50 - 11:20	Coffee break and poster	2014-12-04
11:20 - 12:50	<p><u>Symposium</u> THE 'MASK'QUERADE IS JUST THE BEGINNING: PAP IN CHILDREN: A GLOBAL PERSPECTIVE Chair: RAKESH BHATTACHARJEE* (United States) PAP therapy for OSA in Children: An Australian Experience Speaker: GILLIAN NIXON* (Brazil) PAP therapy for non-obstructive SDB: A British Experience Speaker: HUI-LENG TAN* Selecting the appropriate mask and PAP device in children Speaker: DARIUS LOGHMANEE* (United States) The role of desensitization and follow up in promoting adherence to PAP in children of all ages Speaker: RAKESH BHATTACHARJEE* (United States)</p>	2014-12-04
12:50 - 14:20		2014-12-04
16:00 - 16:30	Coffee break and poster	2014-12-04

Time	Activity	Room
08:30 - 09:20	<p><u>Keynote Lecture</u> Narcolepsy in children and adolescents: update on Etiology, diagnosis and management 2014 Speaker: GIUSEPPE PLAZZI (Italy)</p>	2014-12-05
09:20 - 10:50	<p><u>Symposium</u> UPDATE ON CHILDHOOD ONSET RESTLESS LEGS SYNDROME Chair: SURESH KOTAGAL* (United States) Symposium Introduction and Quick overview of childhood RLS Speaker: SURESH KOTAGAL* (United States) How are growing pains and childhood RLS related? Speaker: ARTHUR WALTERS* (United States) Childhood RLS and comorbid disorders Speaker: OLIVIERO BRUNI (Italy) Management strategies Speaker: NARONG SIMAKAJORNBOON* (United States)</p>	2014-12-05
10:50 - 11:20	<u>Coffee break and poster</u>	2014-12-05
11:20 - 12:50	<p><u>Symposium</u> NEW TRENDS IN DIAGNOSIS OF SDB IN CHILDREN Chair: OLIVIERO BRUNI (Italy) How to overcome the difficulty in diagnosis of SDB in children Speaker: CHRISTIAN GUILLEMINAULT (United States) Breath-by-breath analysis - the future of pediatric sleep medicine? Speaker: ERNA SIF ARNARDOTTIR (Iceland) Assessment of children with OSA: Questionnaire vs. PSG in relation to outcomes Speaker: CAROL ROSEN (United States) What happens when OSA is not diagnosed or treated? Spontaneous resolution in the control arm of CHAT Speaker: RONALD CHERVIN (United States/Michigan)</p>	2014-12-05
12:50 - 14:20	<u>Satellite Symposium</u>	2014-12-05
14:20 - 15:10	<p><u>Keynote Lecture</u> Sleep Disordered Breathing in the non-obese prepubertal child: How does it happen Chair: GERALDO RIZZO (Brazil/RS) Speaker: CHRISTIAN GUILLEMINAULT (United States)</p>	2014-12-05
15:10 - 16:00	<p><u>Keynote Lecture</u> Genomics and OSA in children Chair: REGINA MARGIS (Brazil/RS) Speaker: DAVID GOZAL (United States)</p>	2014-12-05
16:00 - 17:00	<u>Closing</u>	2014-12-05

• Sala 2 - Buenos Aires		
Time	Activity	Room
08:30 - 09:20	<p><u>Keynote Lecture</u> Parenting matters: The role of parents in infant sleep development Chair: DANILO BLANK (Brazil/RS) Speaker: AVI SADEH (Israel)</p>	2014-12-05

09:20 - 10:50	<p><u>Symposium</u> Sleep organization in early human ontogenesis Chair: ANDREA JULIAO DE OLIVEIRA (Brazil/MG) Sleep states development in early human ontogenesis. Speaker: ANDREA JULIAO DE OLIVEIRA (Brazil/MG) EEG and behavioral sleep characteristics in preterm very low birth weight neonates Speaker: MAGDA LAHORGUE NUNES (Brazil/RS) Sleep in Neonatal care Unit Speaker: PATRICIO PEIRANO (Chile)</p>	2014-12-05
10:50 - 11:20	<u>Coffee break and poster</u>	2014-12-05
11:20 - 12:50	<p><u>Symposium</u> SLEEP IN MUSCULAR DYSTROPHIES Chair: MONICA LEVY ANDERSEN (Brazil/SP) Sleep in neuromuscular diseases Speaker: GUSTAVO ANTONIO MOREIRA* (Brazil/SP) Repercussion of Duchenne muscular dystrophy on sleep mother-caregiver Speaker: KAREN TIEME NOZOE* (Brazil/SP) The relationship between asthma and obstructive sleep apnea (SAOS) Speaker: CRISTIANE FUMO DOS SANTOS* (Brazil/SP)</p>	2014-12-05
12:50 - 14:20	=	2014-12-05

• Sala 3 - Assunción

Time	Activity	Room
09:20 - 10:50	<p><u>Symposium</u> The state of art in the interdisciplinary therapy of SDB in children Chair: PAOLA PIRELLI (Italy) Who do I choose and how do I choose the SDB children to refer for orthodontic treatment Speaker: MARIA PIA VILLA (Italy) Rapid Maxillary Expansion and long term follow-up: my experience Speaker: PAOLA PIRELLI (Italy) The role of ENT in pediatric OSA including complete versus partial tonsillectomy - is there a controversy Speaker: FRÉDÉRIC CHALUMEAU (France) Our results with myofunctional treatment in SDB children Speaker: CHRISTIAN GUILLEMINAULT (United States)</p>	2014-12-05
10:50 - 11:20	<u>Coffee break and poster</u>	2014-12-05
12:50 - 14:20	<u>General Assembly</u> and presentation of the next IPSA meeting in Taiwan	2014-12-05
